

# Rabbit RHD Vaccine Clinic

by Dr. Gry Wildenstein and Adana Vet Clinic

Must attend both dates

Saturday, Aug. 26 - first dose

Sunday, Sept. 17 - second dose

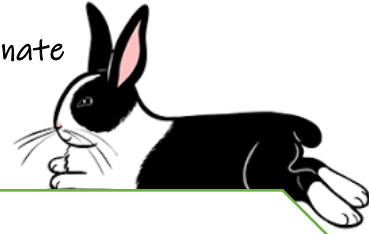

Afternoon  
1235 Ridge Rd,  
Lansing, NY  
Firehouse

Both doses are required for full immunity.

Pricing depends on how many people sign up & how many rabbits you vaccinate

\$45-55 per rabbit for 1 to 5 rabbits

\$35-45 per rabbit for over 6 rabbits

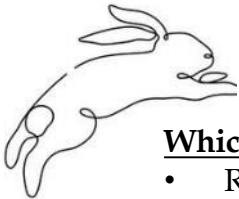

**How the clinic works:** Vials of the US-made Medgene vaccine will be ordered based on how many rabbits are registered. To ensure the shipment arrives in time

- **Owners must register & pay a deposit of 1/2 by August 1 (cash or PayPal).**
- The remainder is due at the first clinic.
- Rabbits must be tattooed (normal "show" tattoos are fine).  
Pet owners who need tattooing can contact Beth beforehand. Her 4-H club can help!

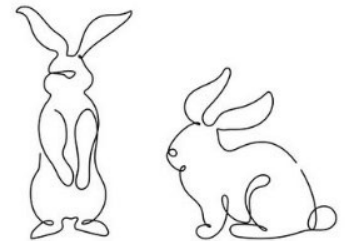

At 1<sup>st</sup> clinic: arrive in a scheduled time window, sign in, pay balance.

At 2<sup>nd</sup> clinic: arrive in your time window & take a vaccine certificate home.

## Which rabbits can I vaccinate?

- Rabbits must be over 4 weeks old & in good health.
- No additional vet health exam is required.
- Pregnant does can't be vaccinated.
- "Walk-in rabbits" won't be vaccinated. We won't have extra doses.
